

Center Stage Dance Studio LLC Waiver

I understand that dance activities have inherent risks of injury and, being fully away of all risks, I consent to have my child participate in the programs and activities offered by Center Stage. By signing this statement, I declare that my dancer is in good health, and is able to physically participate in dance classes, rehearsals, performances and/or any and all activities at Center Stage Dance Studio LLC. Further, I understand and acknowledge that because of the physical nature of dance, there may be physical contact for proper instruction and safety, between instructors and students during classes

I also understand the COVID-19 virus is a highly contagious disease and has a long incubation period, and determining who is infected is challenging and complicated. I understand that there is increased risk of contracting the virus by entering public places such as a dance studio. I understand that even if I follow all recommended safety precautions, there is an inherent risk of contracting COVID-19 from any public space I chose to enter. By coming in for classes I understand that I am doing so at my own risk and will not hold Center Stage Dance Studio LLC, any of its employees or affiliates liable for contraction of any illnesses.

I certify that I have read and agree to abide by all the COVID-19 Protocol and Safety Guidelines (on our website www.centerstagedancestamford.com) implemented to protect all students. I understand that a signed waiver must be on file before my child is able to participate in the Center Stage Dance Studio LLC program.

I have carefully read this Waiver and fully understand its contents.
